

# Pine Cone Turkey

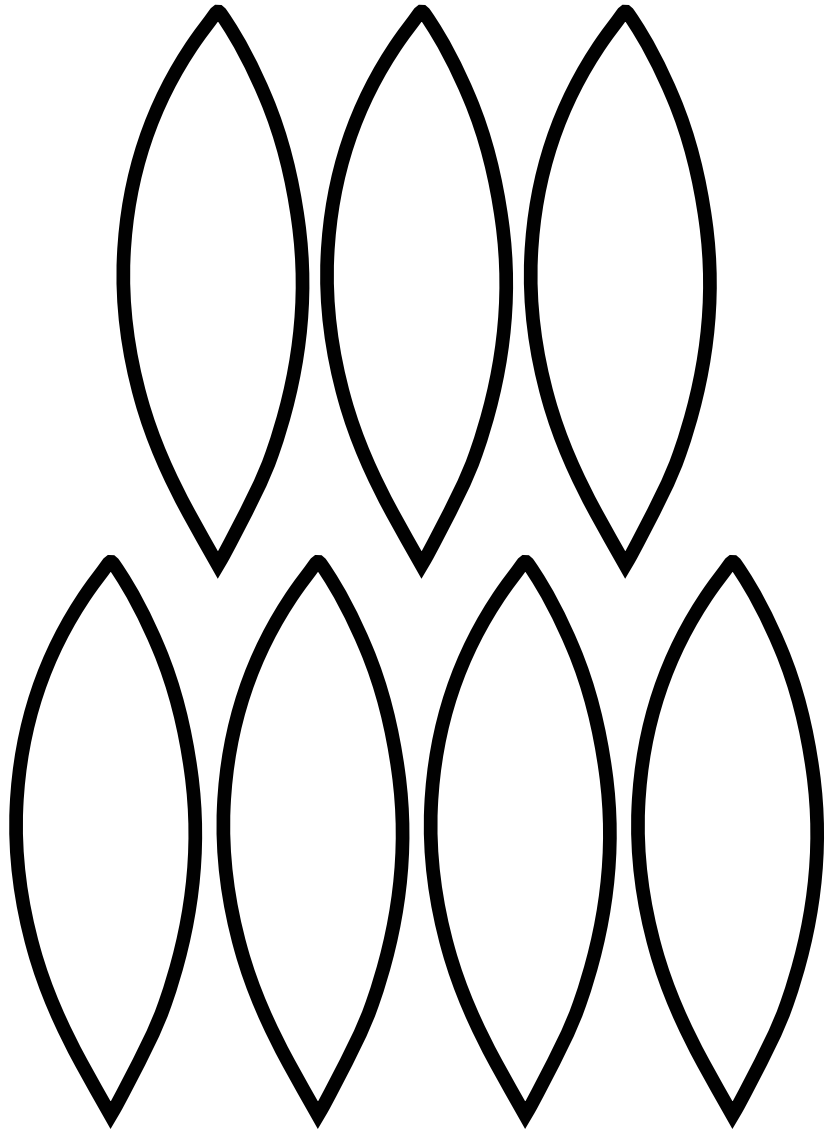

Beak

Fold along the dotted line.  
Glue the bottom half's  
backside to the turkey body.

Body

Feathers

Use googly eyes  
or draw your own!

1. Cut and color each piece of the turkey.
2. Using a pine cone as the turkey base, glue the beak and eyes to the body. Glue the body to the pine cone base.
3. Glue the feathers in between the ridges of the pine cone.
