

TO-DO

DONE

Teach your child how to help out around the house with these cute printables! Cut out the chore cards and laminate each one. Laminate the "To-Do, Done" chart. Attach a magnet or Velcro to the back of each card, and to the front of each square on the chart. Put the chores you want your child to do in the "To-Do" section. Once your child completes a chore, let them move the chore card to the "done" section.
