

# ABC BINGO INSTRUCTIONS

## CREATE THE BINGO CARDS:

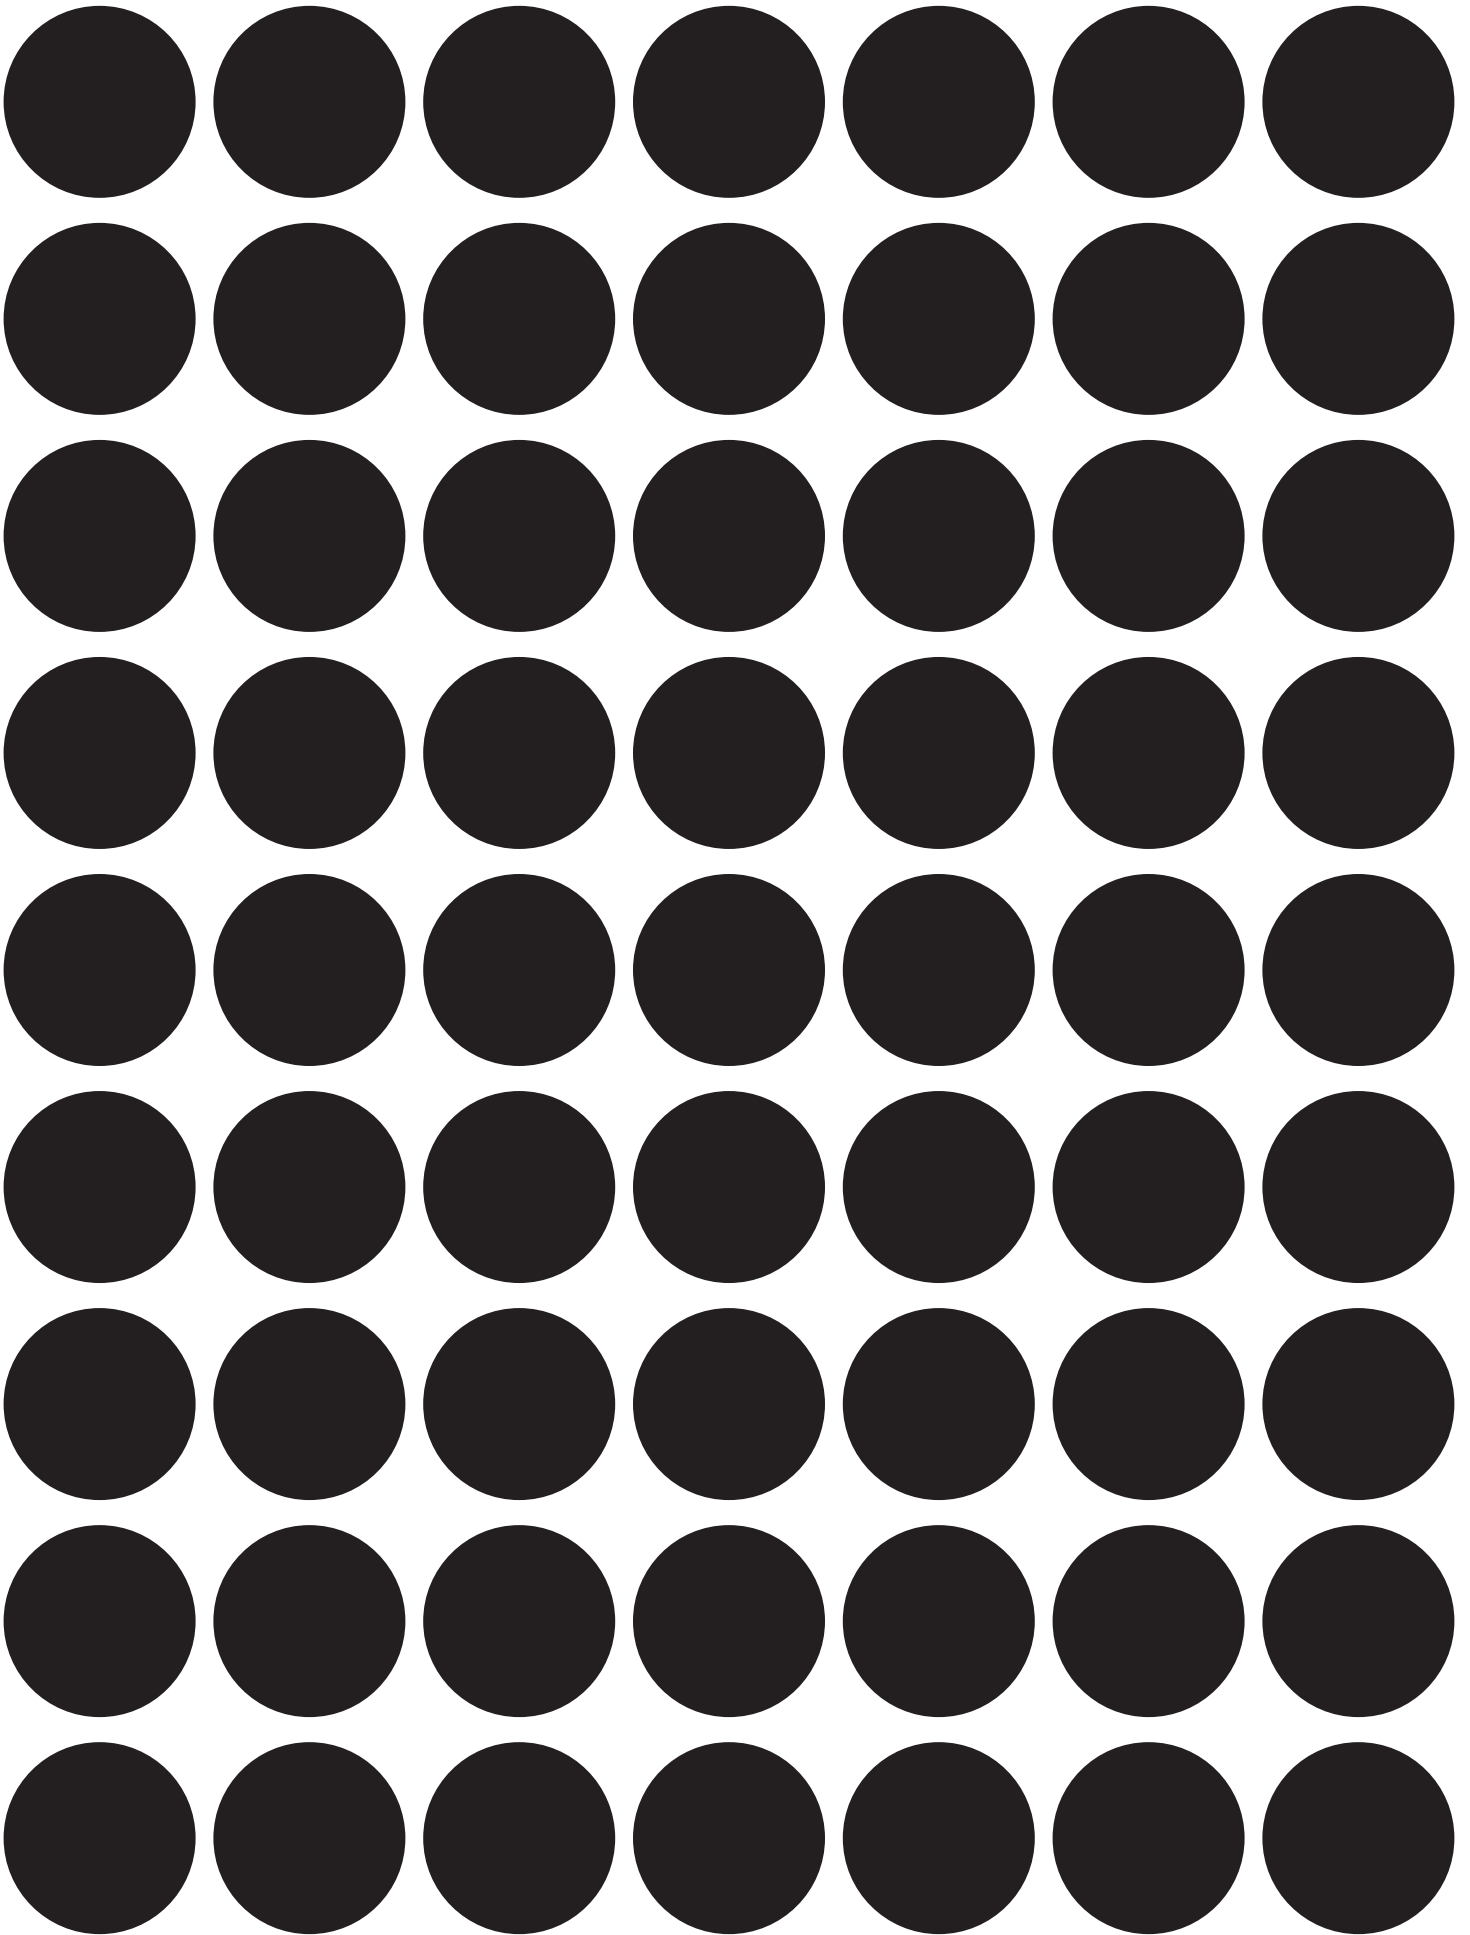

1. Print out as many BINGO cards as you have people playing.
2. Using the letters on the call list, randomly fill in each BINGO card, making sure each square on each card is different. Participants can also fill in their own card so long as they use 24 unique letters from the call list.

## HOW TO PLAY:

1. Cut out the BINGO letters from the call sheet and put them in a bag.
2. Randomly pull out a letter and read it out loud.
3. As the letters are called, players mark off that square on their card.
4. Players shout, "BINGO!" when they get five marked squares in a row (horizontally, vertically, or diagonally).
