

It's time to look for another egg! If you look really hard, you'll find one hiding where you keep the nutmeg.

You'll find an egg hiding in something that keeps the dishes clean. Who knows, it might be blue, yellow, or green!

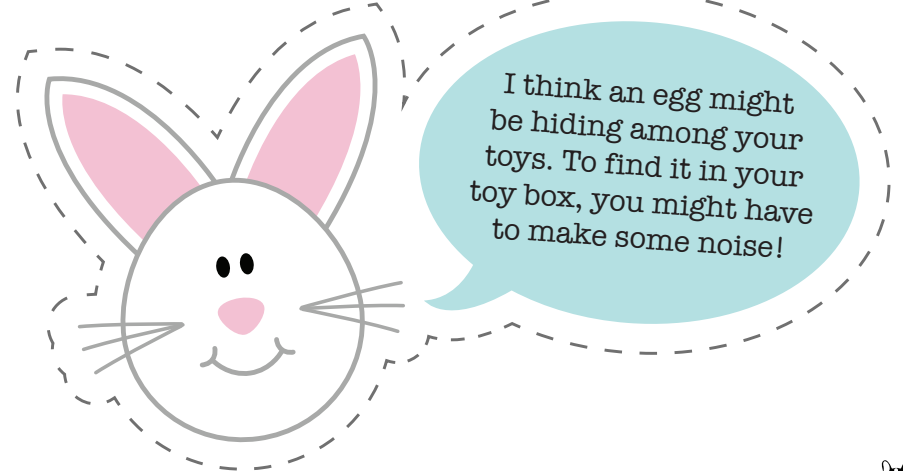

There's an egg hiding where we put leftovers to keep them cold. The egg's color is very bold!

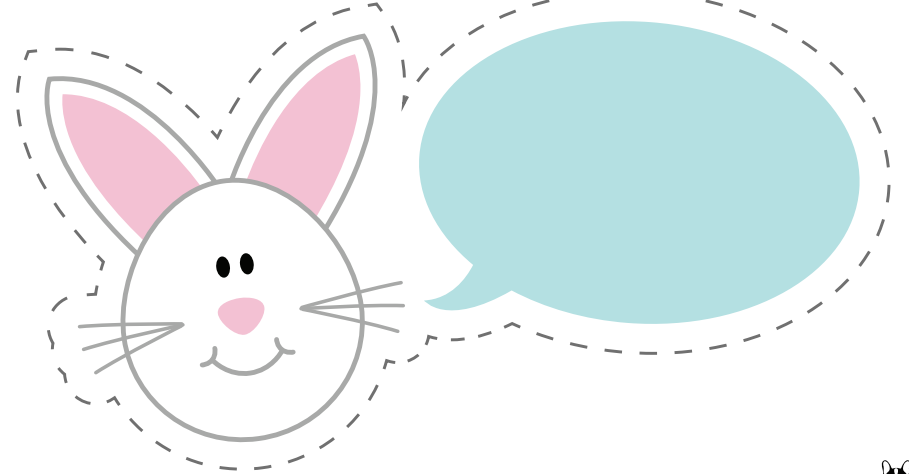

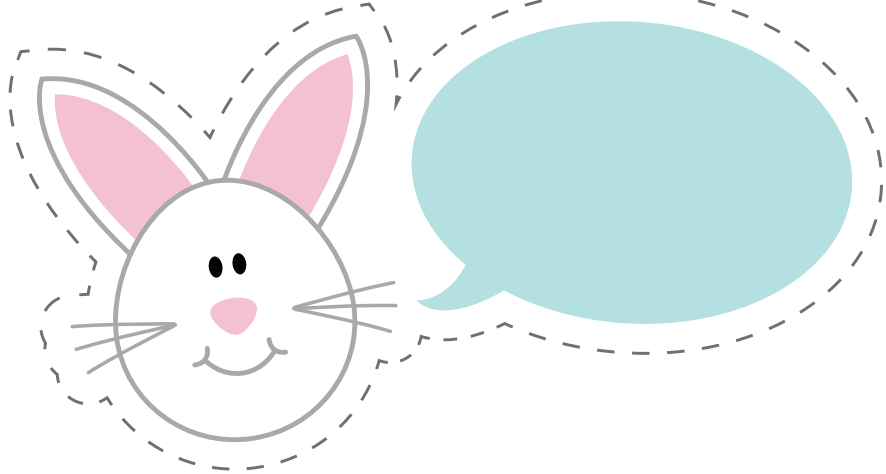

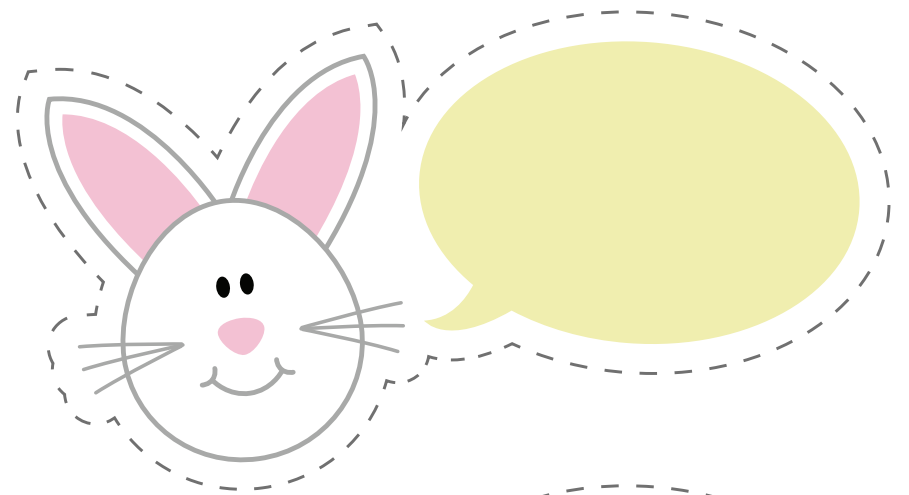

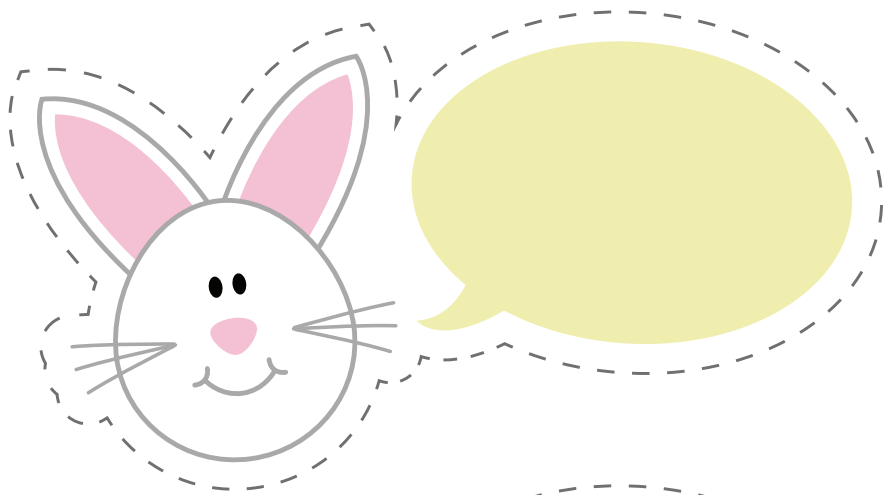

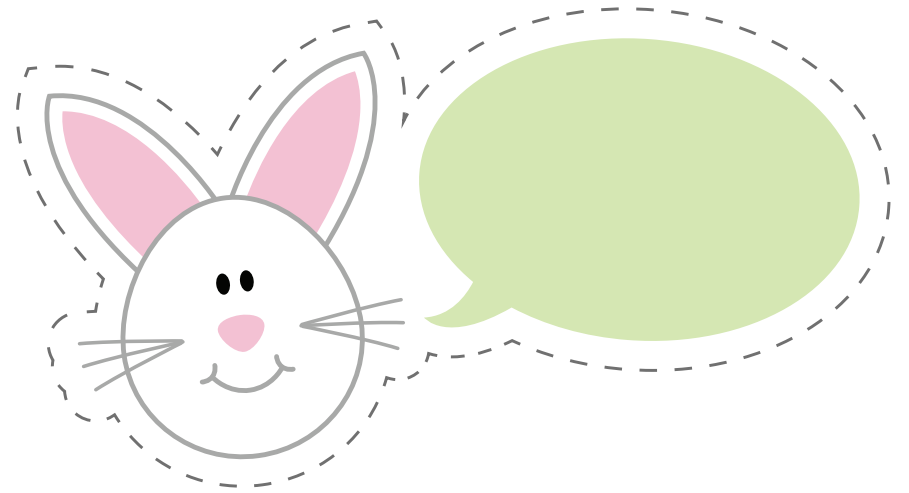

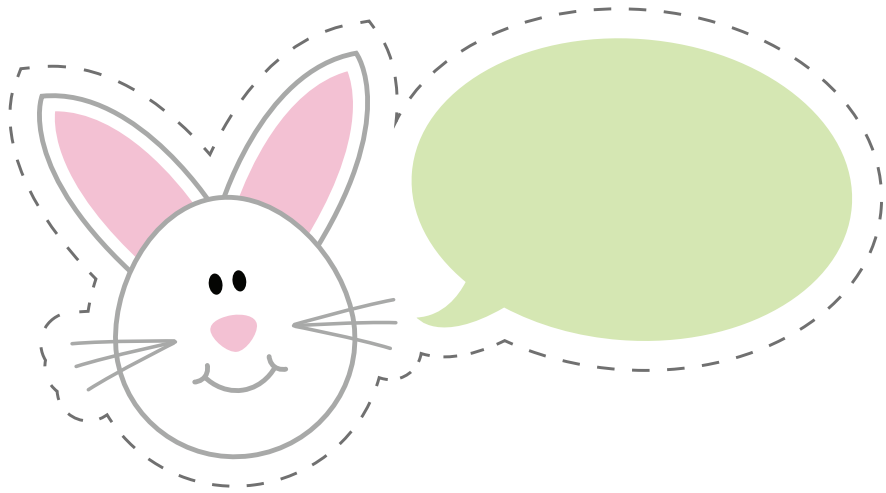

We put these on to protect our feet. If you look in the right one, you'll find something pretty neat!

We use toothbrushes to brush our teeth. You might find an egg next to yours, or maybe just beneath!

I think an egg might be hiding among your toys. To find it in your toy box, you might have to make some noise!

Answer: Spice Drawer/Cupboard

It's time to look for another egg! If you look really hard, you'll find one hiding where you keep the nutmeg.
