

MORTGAGE PAYOFF

STARTING BALANCE: _____

A large grid designed to look like a house. The grid is composed of horizontal dashed lines. The top part of the grid is a triangle representing a roof, and the bottom part is a rectangle representing the main body of the house. A chimney is drawn on the left side of the roof, and a door is drawn on the bottom side of the main body. To the right of the grid, there is a vertical column of 15 dollar signs (\$) aligned with the horizontal lines, intended for writing the payoff amount.
