

The background of the entire page is a light green color with a repeating pattern of white rabbits with pink inner ears, orange carrots with green tops, and pink paw prints. The rabbits are scattered across the page, some facing forward and some in profile. The carrots are also scattered, and the paw prints are small and simple in design. The text is centered in a white rectangular box.

Happy Easter! Or should I say, “hopyy Easter!”? Even though I’m in a bit of a hurry, I couldn’t leap away without letting you know I’m so proud of you for being a good egg all year. I think some-bunny needs some chocolate for all their hard work, and that some-bunny is you! Dig in!

Even though I’m quite busy this year and couldn’t stick around to say hi, I’ll do my best to stick around next year so we can hunt eggs and eat lots of yummy treats together. Just like the basket I left for you, I hope your Easter day is filled with joy and lots of chocolate!

Warm wishes,  
The Easter Bunny
