

EASTER BASKET CRAFT

1. Color and cut out the basket base from the third page.
 2. Glue around the sides and bottom edge of the base.
 3. Flip the base over and glue on top of the basket base on the template page. This should create a pocket for the eggs to go in.
 4. Choose as many eggs as you'd like to color, cut out, and place in the basket pocket.
- *Optional: Choose a bow to color, cut out and glue to the basket handle.
