

Easter Basket Craft

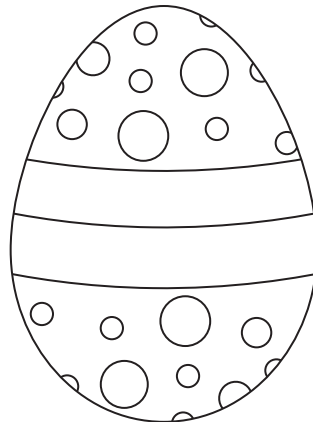

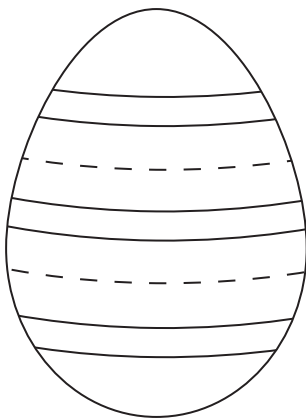

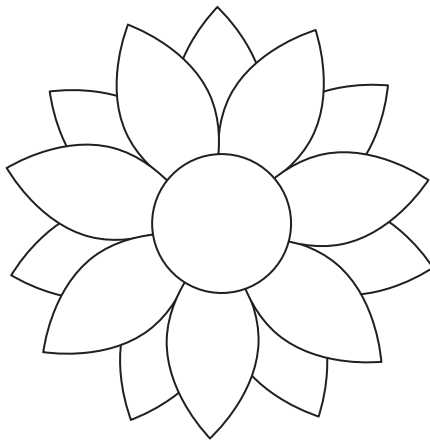

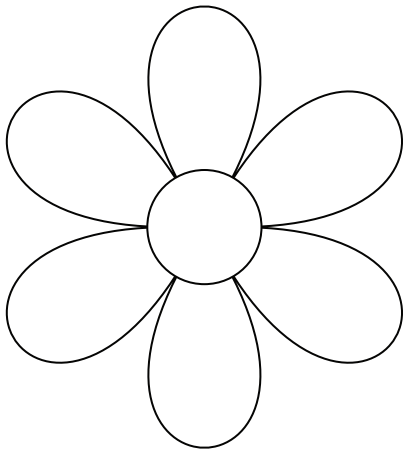

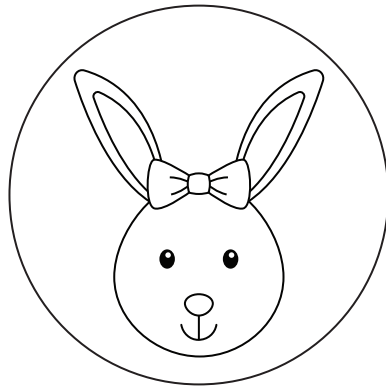

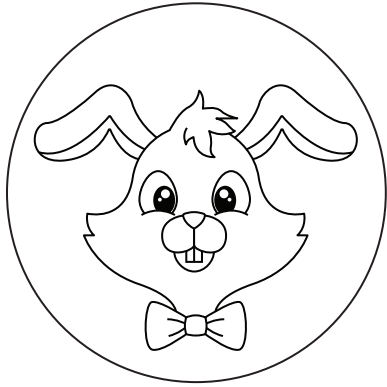

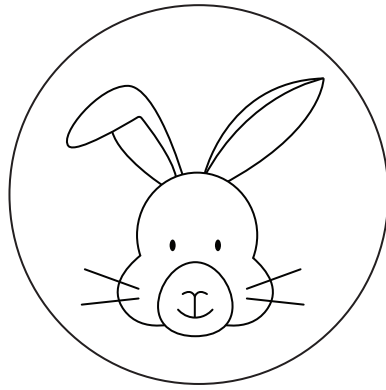

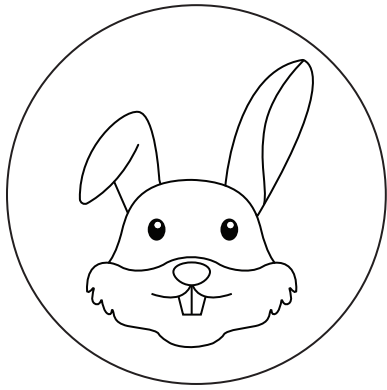

1. Cut out the basket rectangle template.
2. Fold inwards along all dotted lines.
3. Cut along the red dotted lines.
4. To form the basket sides, fold the top and bottom row's outside flaps over the center flaps and secure with glue or tape.
5. Cut out the basket handle, fold along the dotted lines, and glue the tabs to the inside of the basket sides.

*Optional: Choose embellishments to color, cut out, and glue to the outsides of the basket.
