Find and circle the letter H's

The puzzle consists of a large 'H' shape formed by several boxes. The left vertical bar contains the letters H, H, J, H, K, H from top to bottom. The right vertical bar contains W, H, O, H, V, H from top to bottom. The top horizontal bar contains H, L, H from left to right. The bottom horizontal bar is empty. To the right of the 'H' shape is a separate box containing the letters a, h, h, m, h, p, h from top to bottom. To the right of that is a large arch shape containing the letters e, w, h from left to right. To the right of the arch is another vertical bar containing h, w, h, t from top to bottom.
