

A calendar page for the month of August. The word "August" is written in a large, black, cursive font in the center. The background is a light cream color. Scattered around the text are several stylized popsicles. There are three orange popsicles, three green popsicles, and three pink popsicles. Each popsicle has two vertical lines of a lighter shade of its color, suggesting a striped pattern. The sticks are a light tan color. The popsicles are positioned at various angles and locations: one orange at the top left, one green at the top center, one pink at the top right, one green on the middle left, one orange on the middle right, one green in the lower center, one pink at the bottom left, and one pink at the bottom right.
